

The 2017 Montana Workers' Compensation Systems Stakeholders meetings provide attendees with new information and important business process updates. The meetings are an opportunity for stakeholders to provide business process feedback to the Employment Relations Division, Claims Assistance Bureau.

Information presented at the Stakeholders meeting will include: 2017 legislative session workers' compensation bills, Montana U & T guidelines & fee schedule updates, 5-year medical closure, settlements, guidance on 608/615 and 14 day notices, annual rate changes and more.

Stakeholders who would like additional specific topics presented for discussion are welcome to submit topics to the Claims Assistance Unit via email or telephone to Jason Swant, Claims Assistance Unit Supervisor at jswant@mt.gov or 444-6451.

To RSVP, please contact Nikki Hartman at nhartman@mt.gov or 444-7751.
